

On Saturday, May 8th 2010 @ RESIDENZ ZÖGERNITZ - even the skies will not be the limit.

Afrodisiac - Vienna's Most International Club - announces:

THE GRADUATION -

They say that people endure long hours, hardships, and distress to experience a moment, a moment of triumph, never to drift away. Founder & Host of Afrodisiac, Amgad Fahmy and Webster University's Most Popular and Most Unforgettable Generation is ending it - Graduation, right around the corner.

As Andy Warhol would say, this is your night - your 15 minutes of fame. Every attendee/ invitee will truly go through, with being world famous.

And, it never stops, after long research, Afrodisiac & Team, have decided to go royal. Since 1837, Residenz Zögernitz served as a venue for Vienna's Elite where Johann Strauss, himself, has performed.

No Limits:
